

St. Luke's Lenten Opportunities Part 1

The Episcopal Church all across New England is labelled Province I. It includes seven dioceses, i.e., the six New England states, with Western Massachusetts divided from eastern Massachusetts to form its own diocese. The entire Province is sharing a common Lenten program for the third year in a row. It is described in the information sheet accompanying this notice.

The program is called **THE SERMON ON THE MOUNT: ON EARTH AS IN HEAVEN**.

Here are some ways to use it.

First, search on your computer for “Green Mountain Abbey.” That will take you to a page offering the Sermon on the Mount as the meditation tool.

Our local parishioner Meredith Wagner is always part of this group, as are Bruce MacDuffie and Joann Erenhouse. (also regulars are some folks who have attended St. Luke's a number of times: Scott Meiller of Kill Devil Hill, NC; John & Priscilla Lorand of

Mt Pleasant, Michigan; Peder and Linda Halverson of Gretna, Virginia.) Come to it whichever of those three days you are able. Or all of them!
